Re: Vitamin C Antitrust Litigation, Case No. 06-md-1738 (BMC)

I am legal counsel for James Holmes in a criminal case in Colorado (People v. Holmes, Arapahoe County case 12CR1522). Mr. Holmes is not involved in the above-mentioned action in your jurisdiction. He has not written, signed, or filed anything in your case. We do not know how his name became associated with your case. Please make note of this in your records. Thank you.

Sincerely,

Tamara A. Brady
